

## Std 7 English Literature

1. Reference to context:

‘ Thus radioactivity grew and developed, meanwhile exhausting, little by little, the pair of physicists who had given it life’

  - a. Describe the hard work of Curies which led to the growth and development of radioactivity.
  - b. Who were *exhausting* here. What was the outcome of their exhaustion?
2. Make meaningful sentences:
  - a) smock
  - b) miraculous
