Dear Parents,

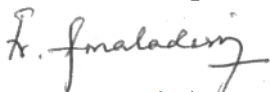

It has been around seven weeks now since we started Virtual Classroom teaching for our students. It is now time for an assessment. This Self- Assessment will be for the students of **STD 1 to STD 8**. The Virtual Classroom teaching for **STD 9 to STD 12** will continue till the end of this month and in the first week of June there will be an assessment. The details will be communicated at the end of this month.

So from **Wednesday, 20. 05.2020** onwards we will be sending SELF ASSESSMENT TEST PAPERS in PDF format in accordance with the time-table. The Subject wise portion of the various tests and the corresponding videos are mentioned along with the Test Time-table.

The following points are to be noted:

- Kindly ensure that your wards go through the video tutorials mentioned along with the portion, before they take the test.
- Your ward should take the test sincerely under your supervision.
- **The 20 marks test will be of around 45 minutes duration.** Please keep the time.
- These tests are to be answered in loose sheets with name and class neatly written on top.
- After the test, parents are requested to kindly keep the test papers in their custody.
- We will send the answers the next week following the same time -table, so that you can assess your ward. **But don't make any correction or award any marks for your ward. You only compare your wards answer script with the answers sent by the teacher to check your wards performance.**
- These Answer sheets have to be submitted to the Class teachers / Subject teachers when the school reopens.

With warm regards,

Fr. A. Amalados, SJ
Principal
