

**Standard 3**  
**Social Studies**  
**Chapter 2 : Changes in a Neighbourhood and School**

**Assignment**

**E. Answer the following questions.**

**(Write down the questions and answers in your S.ST copy)**

**Q.4 Write about the condition of women India.**

**A.4 In India the women has to do everything. There is no fixed work and no fixed hours of work. She has to wash clothes, mop floors, cook and scrub utensils. In spite of all this, women does not participate in the decision making activities and they have been struggling to get an equal place in the society.**

**Q.5 How can Indian women get equality in the society as well as at their workplace?**

**A.5 By the spread of education and mass awareness we can bring changes in Indian society. Thereby, making it equal pay for equal work for both men and women.**
