Future Tense

It is used to express an action that is to happen after sometime.

(Write a paragraph planning a visit to the park).

Visit to a park

Tomorrow we are going to a park. The park is close to my house. We are going to have lots of fun.

I will carry my cricket bat and some snacks. My friends too will bring some snacks.

We will also meet our friends who come to the park everyday. Tomorrow is going to be a nice day.
