Chapter 4 – Responsibilities of A Good Citizen (Part 2)

(Please continue from Question 4 on the same page. Do not write the heading again.)

5. “Causing damage to public property is your own loss.” Explain with the help of a relevant example.

Ans. Causing damage to public property is our own loss as it causes great inconvenience to all of us. For e.g. if someone damages the public buses or stops trains, travelling from one place to another will be difficult for us.

6. In what ways can you take care of public property ?

Ans. Some ways we can take care of public property are:

- i. We should never damage public property e.g. by writing on the walls of buildings or plucking flowers in the park.

- ii. We should stop others from damaging public property.
- iii. If we see anybody doing any harm to them, we should at once report to the police.

7. What is the importance of historical monuments?

Ans. Historical monuments tell us about our past heritage. Thousands of tourists visit these monuments every year and the government earns revenue from them.
