

Geography – Std 10

25th Assignment

ISCE Geography Project for Class 10

Following are the topics: Select any **ONE** only

1. **Wildlife Conservation Efforts in India**
2. **Development of Tourism in India**
3. **Development of Road, Rail, Water and Air Routes**

N.B. – All the detailed information (regarding the Topics and other guidelines) can be availed from your Geography Text Book @ page (vii), in the beginning of the book.

Some Tips to follow while making the Project:-

1. The project should be of informative than decorative.
2. All the collected “information” should be acknowledged.
3. Follow this format:
 - a) Cover page (1 page)
 - b) Contents (1page)
 - c) Acknowledgement (1 page)
 - d) Preface (1 page)
 - e) Introduction (1 page)
 - f) Project detail (10 – 12 pages)
 - g) Conclusion (1 page)
 - h) Bibliography (1 page)
4. Be neat and clean.
5. It need not be too decorative but make it simple with lots of information.
6. Try to fix some “pictures” that are associated/linked with the subject matter/content of the project. However, do not fill the pages with pictures only. Focus on the written part.
7. The project should be presented in a “hard board file”. Both the hard-covers (front and back) should be fully covered with white sheets or chart papers.
8. You need not use the “Cellophane” papers to cover the “hard covers”.
9. Use one side “ruled and one side blank” project sheets.
10. Pictures should be pasted/fixed on the blank side only.
11. Do mention in the Bibliography all the data/information collected from the website/books/magazines etc.

There are many samples available in the website/YouTube. I am attaching two such links for you to refer to. You are advised To get ideas from such resources but do not copy them. Remember you will score on the basis of your “Creativity and authentic presentation”.
