

Geography – Std 10

12th Assignment

Chapter 5: **Water Resources**

HOMEWORK:-

Write down in your Geography Homework Copy both the questions and the answers of the following questions:

1. Why is there a need for irrigation in India? What are some important methods of irrigation practiced in India?
2. Compare between the surface well irrigation and tube well irrigation in terms of their advantages, disadvantages and the regions of practice.
3. i) Why is tank irrigation is more prominent in the Deccan Plateau?
ii) Mention the advantages of tank irrigation.
iii) Mention the disadvantages of tank irrigation.

NOTE:

1. These questions are **only for HOMEWORK**. You are expected to **answer any question** asked from this chapter. So, learn thoroughly.
2. You will find all the answers of the above questions from the corresponding video.
3. Download **ICSE GEOGRAPHY SAMPLE QUESTION PAPER** of 10th Class from the ICSE website.
4. Get familiar with the ICSE **questions pattern**.
5. ICSE doesn't ask long questions.

Suggestion:

Go through the **ICSE Board Exams Question Papers** and get familiar with the BOARD type questions. Refer **"Together With"**. (or any other reference book. Consult your seniors, they will guide you)

Reminder

Writing down the answers of the Assignment questions is compulsory as these will be considered as part of the **Internal Assessment**.
