

Geography – Std 10

14th Assignment

Chapter 6: *Mineral Resources*

HOMEWORK:-

Write down in your Geography Homework Copy both the questions and the answers of the following questions:

1. Answer the following questions about petroleum:-
 - i) How is mineral oil formed?
 - ii) What are the major uses of petroleum?
 - iii) Mention any three important oil fields of India.
2. What are the advantages and disadvantages of conventional sources of energy? (Two each)
3. Regarding the Hydel power answer the following questions:-
 - i) On which river is the Bhakra Nangal Projects built?
 - ii) Name the reservoir that is built along with it.
 - iii) Which is the world's longest mainstream dam?
 - iv) What are some of its benefits?

NOTE:

1. These questions are **only for HOMEWORK**. You are expected to **answer any question** asked from this chapter. So, learn thoroughly.
2. You will find all the answers of the above questions from the corresponding video.
3. Download **ICSE GEOGRAPHY SAMPLE QUESTION PAPER** of 10th Class from the ICSE website.
4. Get familiar with the ICSE **questions pattern**.
5. ICSE doesn't ask long questions.

Suggestion:

Go through the **ICSE Board Exams Question Papers** and get familiar with the BOARD type questions. Refer **"Together With"**. (or any other reference book. Consult your seniors, they will guide you)

Reminder

Writing down the answers of the Assignment questions is compulsory as these will be considered as part of the **Internal Assessment**.
