The Revolt of 1857

1. How did the removal of the Indian Rulers from their position become a cause for the Revolt of 1857 ?
2. While the European continent was undergoing Industrialization, India faced deindustrialization. Elaborate on this point.
3. On what pretext did the English take away land which was granted to the Indian nobility ?
4. What was the issue with the Indigo Cultivators which caused the cultivators to take up arms against the Britishers ?
