

Std-4 Social Studies Assignment

Chapter 4 – Responsibilities of A Good Citizen

I. Answer the following questions

1. What is public property?

Ans. Things that belong to public in general are public property.

2. Explain the difference between private and public property.

Ans. The differences between private and public property are:

Private Property	Public Property
<ul style="list-style-type: none">Owned by a person or his family.	<ul style="list-style-type: none">Owned by the public in general.
<ul style="list-style-type: none">Owner has the right over it.	<ul style="list-style-type: none">Everyone has a right over it.
<ul style="list-style-type: none">Its protection is the owner's responsibility.	<ul style="list-style-type: none">Its protection is every citizen's duty.

3.What are the two types of public property? Give examples of both.

Ans. The two kinds of public property are:

- i. Buildings and services which we use daily eg. roads, railways, schools, post offices, hospitals etc.
- ii. Our national heritage which remind us of our glorious past. eg. monuments, forts, temples, mosques etc.

4. Why is it necessary to protect public property?

Ans. It is necessary to protect public property because damage to these things cause loss to the whole nation.
