Chapter-7 [The belly and the members]

Reference to Context

1. 'Because it does nothing to help us and it is lazy.'
 - a. Why do the parts of the body call the belly lazy?

Ans. The parts of the body think that the belly is not doing enough work.

- b. Do you think the belly is really lazy?

Ans. No, the belly is not really lazy. It is doing necessary work for the body.

- c. What do the unhappy parts of the body decide to do?

Ans. The unhappy parts of the body refuse to take food.

2. But after a day or two, the members begin to face many problems.

- a. Who are the members?

Ans. The members are hands, mouth, legs, and brain.

- b. Why do they begin to face problems?

Ans. They begin facing problems because they were not giving food to the belly.

- c. What do they understand when this happens?

Ans. They understand that the belly works to give energy to the rest of the body.
