Read reflect and write

Q5) Why did Wendy cover her face with the blankets at the end of the story?

Ans5) Wendy had helped Peter by sewing his shadow back to his body. Instead of thanking her for her help, Peter jumped about acting like he had done it himself and barely acknowledged her help. This made Wendy very annoyed and she covered her face in her blanket feeling irritated.

Q6) What do you think of Peter's behaviour after he got his shadow back? If you were in his place, what would you have done?

Ans 6) Peter's behaviour after he got his shadow back was not nice at all. He did not show Wendy any gratitude for help and behaved as if the idea was his own. If I were in his place, I would have been very grateful and thanked Wendy for her help.

Q7) Does this story seem real to you or does it seem like a fantasy? Give reasons for your answer.

Ans 7) This story is a fantasy. It deals with a boy who loses his shadow, which is not possible in reality. It contains a fairy, and fairies are imaginary creatures. Moreover, the boys shadow is reattached to him which again is not possible in reality.
