

Std-4 Social Studies Assignment

Chapter 10 : India – Agriculture in India

EXERCISES

1. Do all the exercises discussed in the video tutorial in your book itself. Refer to the Video and check your answers carefully.
2. Learn all the new words and definitions in the lesson.

ACTIVITY

1. Identify me
 - (i) I need black soil, moderate rainfall and warm temperature to grow well.
I am cotton
 - (ii) I prefer the hill slopes to grow well. I also need good rainfall, warm temperature and frost-free environment.
I am tea
 - (iii) I am a Kharif crop. I am the most important crop of India.
I am rice
 - (iv) I need alluvial soil, heavy rainfall and hot, humid climate. Though things like gunny bags, ropes and carpets are made from me, I am called the golden fibre.
I am jute
2. Collect different types of grains and pulses in small packets. Attach these in your scrapbook. Write their names in Hindi and English.
