Read, reflect and write

Q7) Does this story seem real to you or does it seem like a fantasy? Give reasons for your answer.

Ans.7) This story doesn't seem real to me, it is a fantasy. It deals with a boy who loses his shadow, which is not possible in reality. It contains a fairy, and fairies are imaginary creatures. Moreover, the boy's shadow is reattached to him, which again is not possible in reality.
